In response to your request, this Office conducted records searches of the Office of Strategy, Management, and Development of NSD and located records responsive to your request. We have processed these records under the FOIA and have determined to release these records in part, with certain information withheld pursuant to 5 U.S.C. 552(b)(6), which permits the withholding of information when the disclosure of such information "would constitute a clearly unwarranted invasion of personal privacy."

We also located records which originated with other government agencies. Pursuant to Department practice, we have referred two documents to the Department of Defense and one document to the Central Intelligence Agency for processing and direct response to you.

As this matter is already in litigation, we are omitting our standard appeal paragraph. If you have any questions regarding this response, please contact Tamra Moore of the Civil Division, Federal Programs Branch at (202) 305-8628.

Sincerely,
